Dear Jeannine,

Doug and I just want to say “Thank you” for all you did to make our kitchen project turn out so well. We are glad that Chris and Dave recommended you for our project.

You helped us in so many ways, but we especially appreciated your patience with us as we were faced with so many detailed decisions. Not knowing the advantages and disadvantages of all the options, we relied on you a lot, perhaps more than your other clients require. Your willingness to stop by at late notice (or no notice!) meant so much to me. Thanks for helping us have the confidence to make the color and wood-related decisions that we made. The painted and stained desk combination is so beautiful!

I would be pleased to recommend you to anyone looking for assistance with a kitchen remodel. You were a real life saver for us!

Sincerely,

Carol Hunt
